

Sermon Outline

Sermon Title: "Disagreement, Sudden Redirection and another Jail Break"

Big Idea: Although life can pull us in many directions and bring about lots of pain at the same time, we can still pray and sing hymns

Scripture: Acts 15:36 - 16:40

Message Outline:

1. Disagreements and conflicts are part of our Christian life/community which we must be willing to wrestle through while respecting each other and honoring God.
2. You never know what God is going to give you that you need to do His work, as He did in providing Paul with young Timothy.
3. Sometimes we think we know what God wants us to do (or where to go) but we need to be willing to have Him redirect us.
4. Opposition can come from the most unexpected places but, again, be prepared for how God will use the circumstances to accomplish His Kingdom's work.
