

## Sermon Outline

Sermon Title: "The Land Between: Living out of Our Inheritance"

Big Idea: As believers, we have inherited an identity that empowers us to be like Christ and live for Him

Scripture: Hebrews 11:8-10 and Ephesians 1:15-21

Message Outline:

- God called Abraham to leave his home (twice)
- Abraham wasn't perfect, he was as human as the rest of us
- God made a promise and then sealed it with Abraham in a covenant-establishing experience
- The Israelites inherited this promise
- The Israelites could have believed in the truth of their inheritance and developed their trust in God - but they chose not to
- What do we choose? To allow our lack of hope for the future keep us living in the past or do we grab a hold of our inheritance - which are the promises and blessings of God - and trust Him for the future?
