

Sermon Outline

Sermon Title: "Those Who Are Redeemed"

Scripture: 1 Peter 1: 17 – 25

Introduction

- We will focus on the word "redeemed," and think about what it means to us.

1. We are redeemed from the way of life that is captured by the Law.

- The Law was given to us for a good purpose by God (Romans7:12).
- No one will ever be justified by the Law (Romans3:20).
- Jesus tried to teach us through the story what is most important for us (Luke10).
- Jesus never denied the Law (Matthew 22:37-39).

2. We are redeemed from the way of life that is captured by sin.

- Sins are not the actions of individuals, rather the conditions or features that apply to all human beings (Romans 5 to 8).
- There is no sinless person except for Jesus Christ.
- To figure out what kind of sins we committed is less important than knowing and admitting that we are born with sins.

3. How are we redeemed by God? By what are our sins forgiven?

- With the precious blood of Christ (v19).
- Through him you believe in God (v21).
- Through the living and enduring word of God (v23).
- God revealed His love through Jesus Christ, and He says to us that He forgives us.
